Completed FSC Pre-Engineering with a strong foundation in Physics, Chemistry, and mathematics.

**BS COMPUTER SCIENCE | UNIVERSITY OF LAHORE, LAHORE**  
**2024-2028**

Pursuing BS in Computer Science from the University of Lahore, with a strong foundation in computer systems, software engineering, and data structures.

# PROJECTS

## **MESUOL - Society Management Platform** | *Founder & Developer*

- Developed a full-featured community platform from concept to deployment.
- Built using PHP, MySQL, HTML, CSS, and JavaScript to manage society members, events, and content.
- Handles all aspects of hosting, domain management, and ongoing maintenance.
- **Link:** [MES Website](#)

## **Point of Sale (POS) System** | *Solo Developer*

- Engineered a fully functional web-based POS system for inventory and sales management.
- Implemented core features: product catalog, invoice generation, and sales tracking using PHP and MySQL.
- Deployed on a live server, demonstrating backend and database proficiency.
- **Link:** [link to Website](#)

## **Personal Portfolio Website**

- Designed and developed a responsive portfolio website to showcase technical projects.
- Utilized modern front-end technologies (HTML5, CSS3, JS) and hosted on GitHub Pages & Netlify.
- **Link:** [badar-92.github.io/MyPortfolio/](https://badar-92.github.io/MyPortfolio/)

## **Interactive Game Development (Snake Game, Card Game)**

- Created browser-based games using core JavaScript, focusing on logic, DOM manipulation, and interactive UI

# EXPERIENCE & LEADERSHIP

- **IT Head & IT Manager** | MES Society) | 2023 - Present
  - Founded and currently manage the online presence and LinkedIn company page for the tech society.
  - Lead project initiatives and coordinate with members.
- **Active Member** | Dramatic Society, University of Lahore
- **Ex-Member** | Comptech, ASCE, ICE Societies | UET Taxila

# Activities

*Regularly build personal coding projects to explore new technologies. Maintain an active GitHub profile and engage with the developer community through social media and professional networks.*
